Personal Watercraft Lifts

PL1000 PWC Lift

PL1000 PWC Lift

RGC Advantage

RGC PWC Lifts combine the physical strength of quality marine grade aluminum with the engineering expertise of the most experienced boat lift manufacturer in the industry.

RGC lifts protect your watercraft from damaging wave action, floating debris, weeds, algae and zebra mussels.

Customize your PWC lift with Extension Legs, AC or DC Friction Drives, Winch Extensions and the PL1000 Single to Double Conversion Kit.

Features & Benefits

- ▶ 1000 lb. Single, 1000 lb. Double and 1200 lb. standard models are designed to meet your PWC and light boat lifting requirements.
- ▶ The PL1000 Double is designed for the sides to operate independently of each other.
- ▶ A kit is available to convert the PL900 Single lift to a Double lift.
- ▶ Durable marine grade, all aluminum frame construction provides superior strength with minimal maintenance.
- ▶ Corrosion resistant stainless steel cables and hardware provide long component life.
- ▶ Low maintenance polymer sheaves prolong cable life.
- ▶ The winch mounts on either side for versatility.

Applications

- ▶ PWC Lifts are ideal for safely securing your personal watercraft when it is not being used.
- ▶ PWC lifts can be operated by a 12V battery powered Friction Drive. They are the right choice for use in areas with unreliable or no electric service at the dock. A 120V AC Friction Drive is also offered.
- ▶ They are easily adapted to various water depths with the addition of 3 ft., 4 ft. or 5 ft. adjustable deep water Extension Legs.
- ▶ A large 30 in. powder-coated handwheel and winch raise and lower the watercraft with minimal effort.
- ▶ Foot plates pivot to adjust to irregular lake beds or those with a slope.
- ▶ Assembly and installation are easy and require basic hand tools.
- ▶ The PL1000 Double is designed for independent operation of the sides.
- ▶ A kit is available to convert a PL1000 Single Lift to a PL1000 Double Lift.
- ▶ Accessories are available to customize and enhance your lift.
- ▶ 15 year limited warranty on aluminum materials and workmanship.
