Vertical Aluminum Boat Lifts

RGC Advantage

RGC Vertical Aluminum Boat Lifts combine the physical strength of quality marine grade aluminum along with the engineering expertise of the most experienced boat lift manufacturer in the industry.

RGC boat lifts protect your watercraft from damaging wave action, floating debris, weeds, algae and zebra mussels.

Customize your lift with Canopies, Bunks, Guide-Ons, Power Drives, Remote Control Drives, Pontoon Brackets and many other quality accessories.

VL45116 with Pivoting Wood Bunks, Wood Guide-Ons, Pacific Blue Canopy and Seagull Elimination Kit

VL40124P with Pontoon Cradles & Guides and Vinyl Motor Stop (wood not included)

Applications

- ▶ Lifting heights from 66 in. to 80 in. make RGC Vertical Aluminum Lifts the right choice for fluctuating waters.
- ▶ Vertical Lifts are ideal for low water level applications with minimum platform heights of from 8 in. to 13 in.
- ▶ A variety of options allow you to accessorize your lift to best protect your boat and provide you with the conveniences you deserve.

Features & Benefits

- ▶ Models are available to lift from 1250 to 10,000 lbs.
- ▶ The patented R18LT chain winch on the 3500 to 8000 lb. models and the R18HD chain winch on the 10,000 lb. model reduce operator effort and prolong cable life.
- ▶ Durable marine grade aluminum extrusions provide strength with minimal maintenance.
- ▶ Corrosion resistant stainless steel cables and hardware increase component life. Silicone bronze nuts on mounting hardware provide easier adjustability.
- ▶ Low maintenance polymer sheaves extend cable life.
- ▶ Excellent lifting range to meet most lifting height requirements.
- ▶ Foot plates pivot to adjust to lake beds with a slope.
- ▶ Carpeted wood or aluminum & vinyl pivoting bunks conform to and cradle the boat's hull. A double set of bunks is required for 8000 and 10,000 lb. lifts.
- ▶ Easy assembly with basic hand tools allows quick installation.
- ▶ Optional AC and DC electric Power Drives and Friction Drives put power at your fingertips.
- ▶ Optional Remote Control Power Drives permit lift operation from a distance.
- ▶ A wide array of accessories is available to customize your lift.
- ▶ 15 year limited warranty on aluminum materials and workmanship.
